## SPECIFICATION

Product Reference	INTRAshape Entrance Matting
Shape	<p>Small Square – 230mm x 230mm Large Square – 460mm x 460mm</p> <p>Small Triangle – 230mm Large Triangle – 460mm</p> <p>XS Rectangle – 115mm x 345mm Small Rectangle – 230mm x 460mm Medium Rectangle – 230mm x 690mm Medium Slim Rectangle – 115mm x 690mm Large Rectangle – 460mm x 690mm</p> <p>Small Diamond – 230mm x 230mm Medium Slim Diamond – 115mm x 690mm (45°Angle) Large Diamond – 460mm – 460mm (60°Angle)</p> <p>Small Hexagon – 230mm</p>
Installation	Into suitable recessed matwell area, with surface of the matting level with adjoining floor coverings.
Location	High Traffic environments Internal applications
Construction	Aluminium composite panel with high quality polyamide fibre surface
Weight	12.8 kg/m <sup>2</sup>
Depth	16mm
Temp Resistance	-20°C - +70°C (Aluminium Composite Panels)
Matwell Framing	INT019
Finish	Standard Silver Anodised, Bronze Anodised and Black Anodised also available
Backing	Cushion EPDM/Neo Sponge

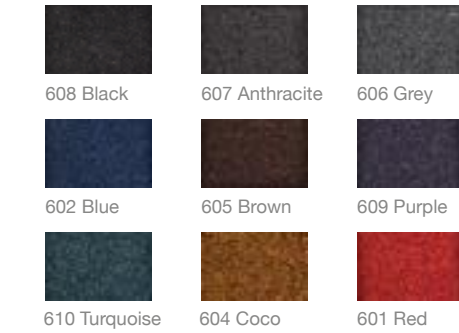

## CROSS SECTION

## PROFILE COLOUR OPTIONS

There are many different colour options - please enquire for details

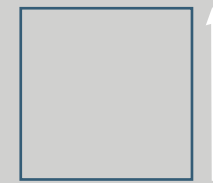

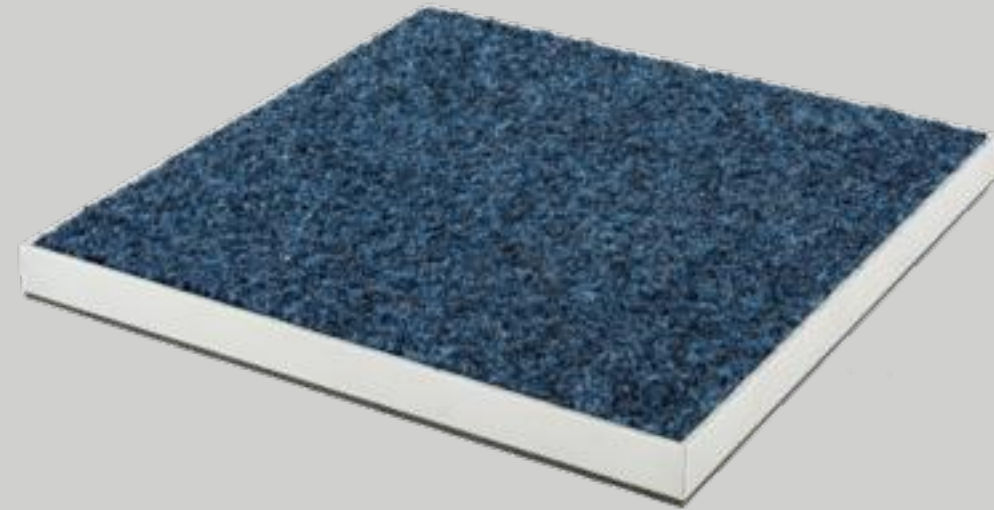

# INTRAshape - Square

This simple geometric form can be used to create some truly stunning tessellations.

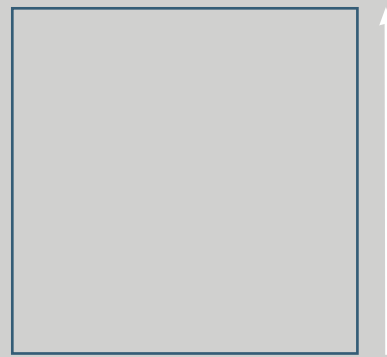

The brick, the checkerboard and the staggered square are just a few examples of how the humble square can be used to transform your entrance and enhance your reception.

Product Reference INTRAshape Entrance Matting

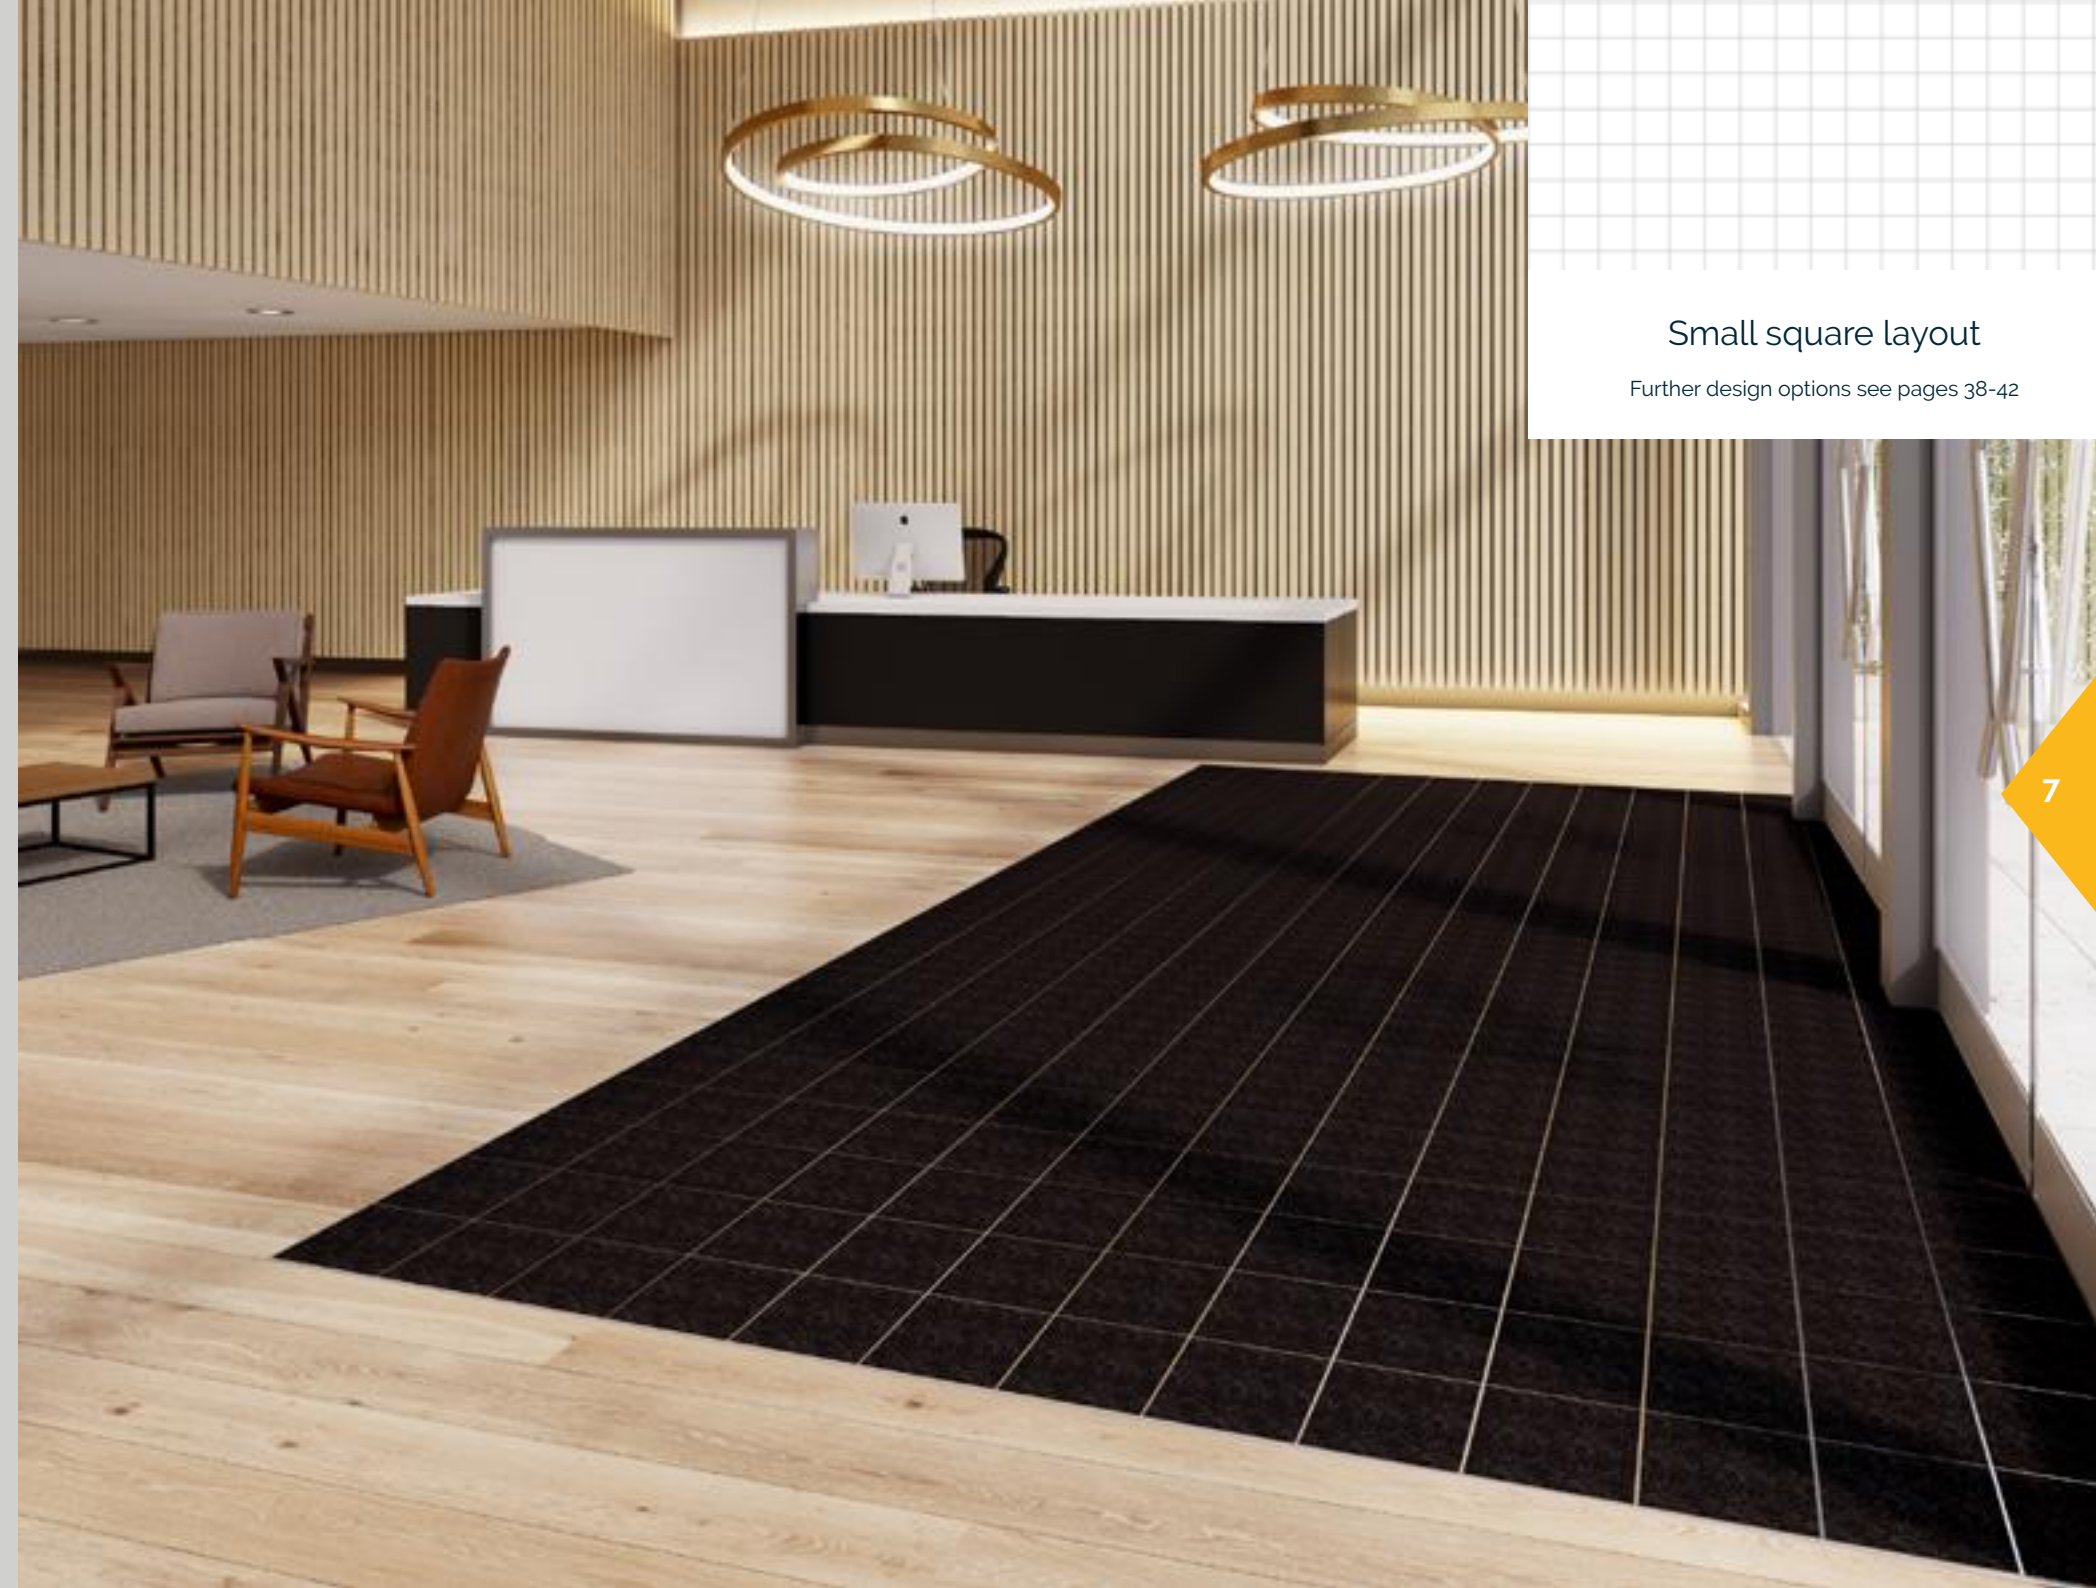

Shape  
Small Square - 230mm x 230 mm  
Large Square - 460mm x 460mm

Small square - 230mm

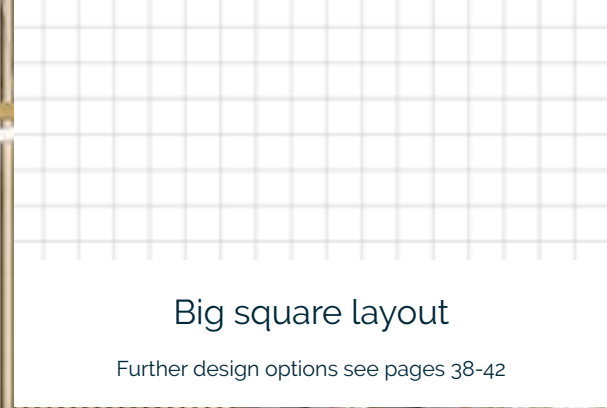

Large square - 460mm

## Small square layout

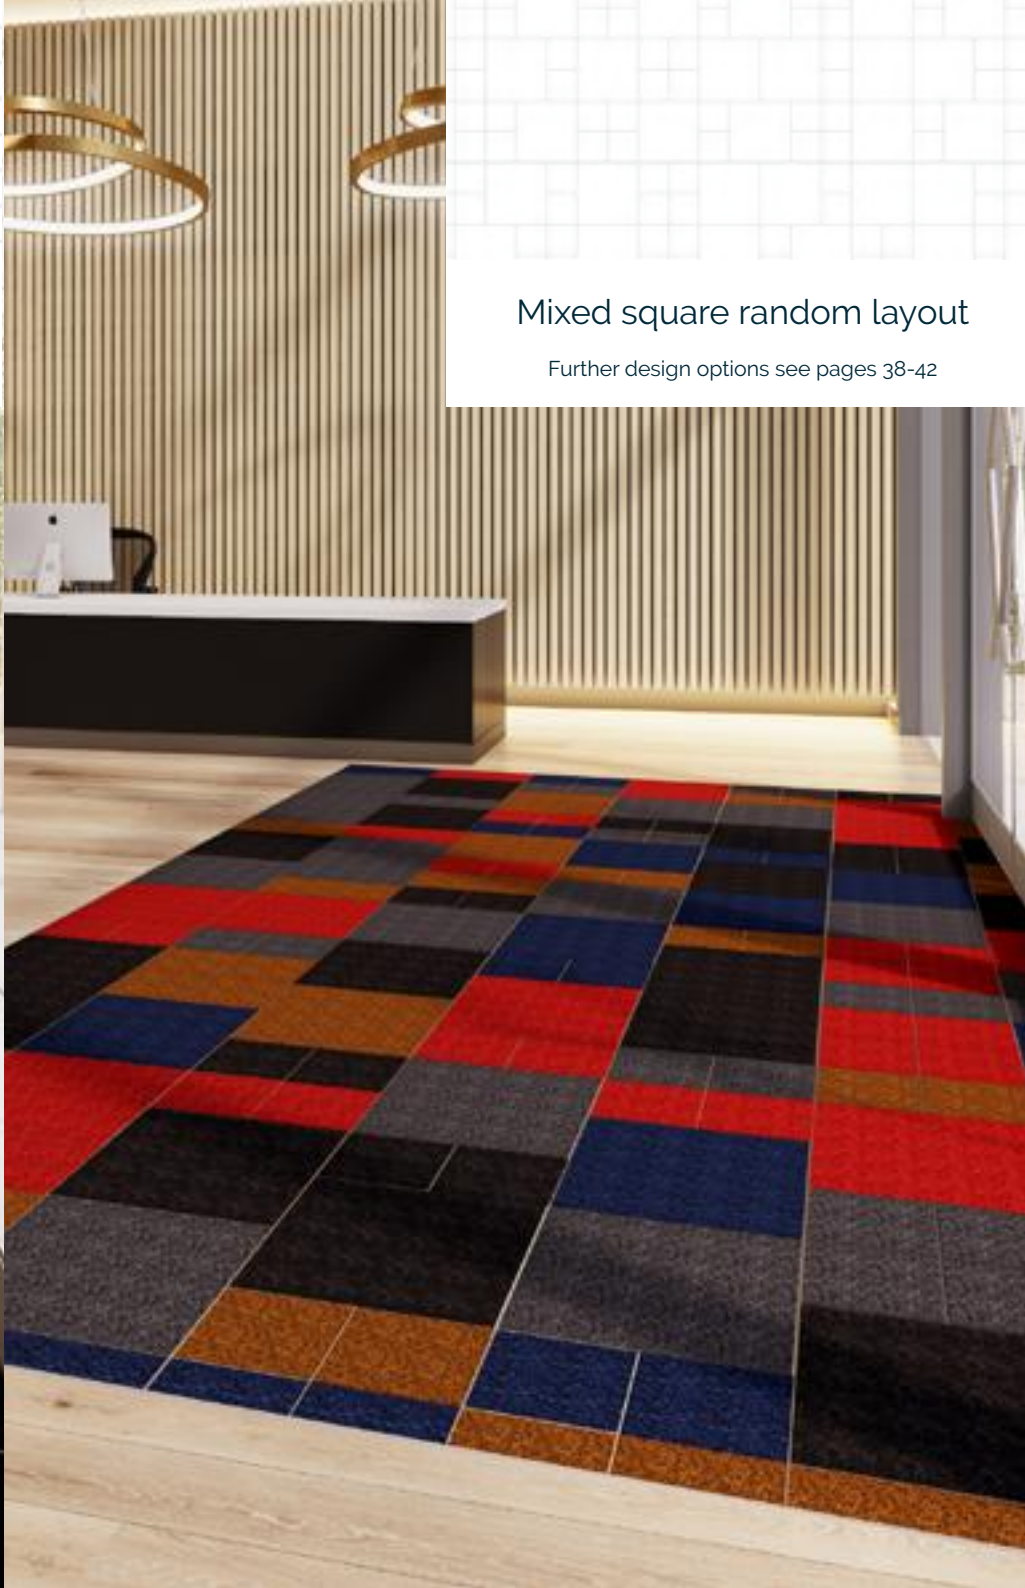

Further design options see pages 38-42

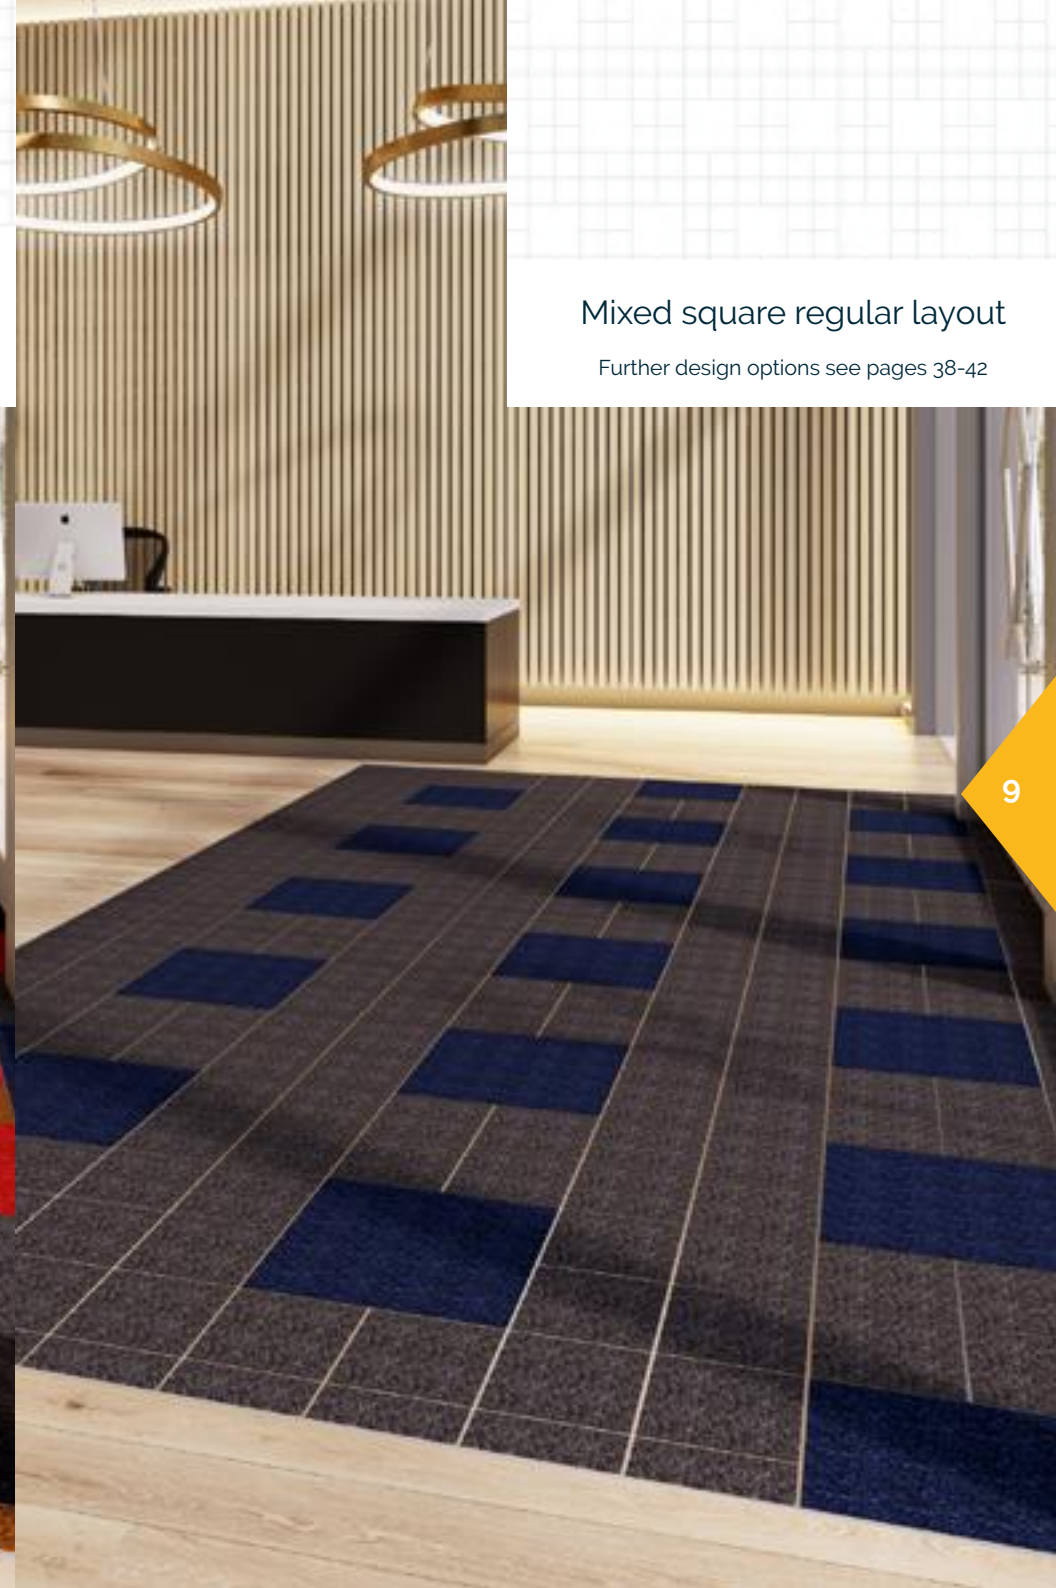

### Big square layout

Further design options see pages 38-42

### Mixed square random layout

Further design options see pages 38-42

### Mixed square regular layout

Further design options see pages 38-42

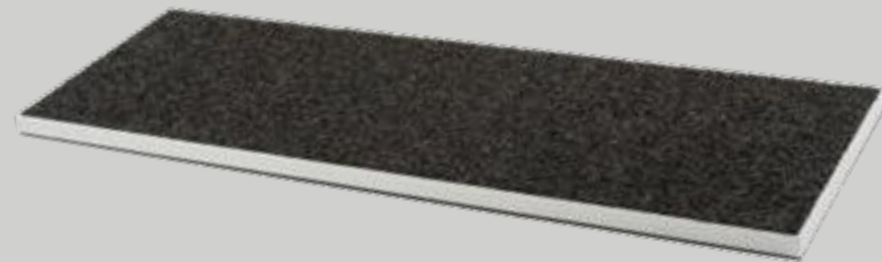

# INTRAshape - Rectangle

The possibilities are endless with this highly adaptable shape: herringbone, chevron, basket weave and brick are just some of the stunning designs that can be created using the rectangle range.

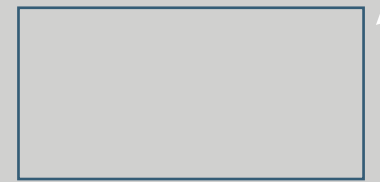

What will you make?

Product Reference INTRAshape Entrance Matting

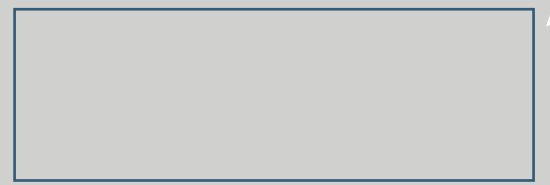

Shape XS Rectangle – 115mm x 345mm  
Small Rectangle – 230mm x 460mm  
Medium Rectangle – 230mm x 690mm  
Medium Slim Rectangle – 115mm x 690mm  
Large Rectangle – 460mm x 690mm

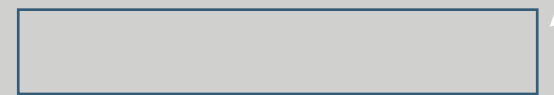

XS rectangle  
115mm x 345mm

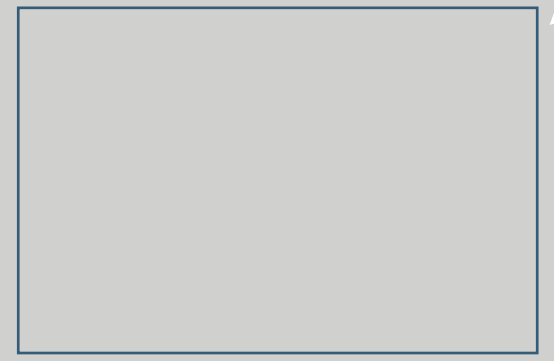

Small rectangle  
230mm x 460mm

Medium rectangle  
230mm x 690mm

Medium slim rectangle  
115mm x 690mm

Large rectangle  
460mm x 690mm

Herringbone layout, small

Rectangle brick style layout, small

Further design options see pages 38-42

Basket weave layout, 2 colours

Further design options see pages 38-42

Rectangle brick style layout, large

Further design options see pages 38-42

Herringbone layout, large

Further design options see pages 38-42

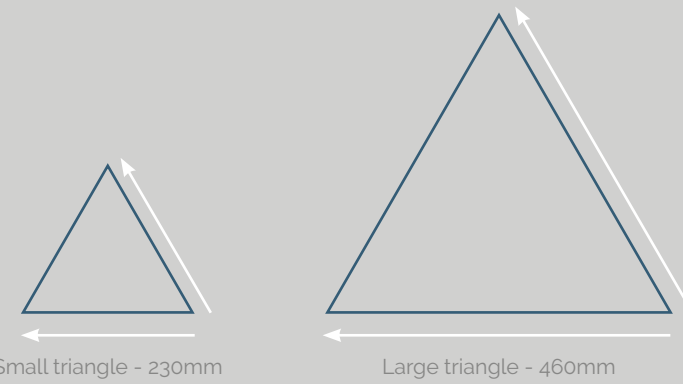

# INTRAshape - Triangle

The simple, bold form of the triangle can be used to create a powerful statement.

Synonymous with balance and movement, the triangle adds a sense of strength and energy to your design, making for an iconic entrance.

Product Reference INTRAshape Entrance Matting

Shape Small Triangle - 230mm  
Large Triangle - 460mm

## Triangles layout, large

Further design options see pages 38-42

Triangles layout, small

Further design options see pages 38-42

Mixed triangle layout, random

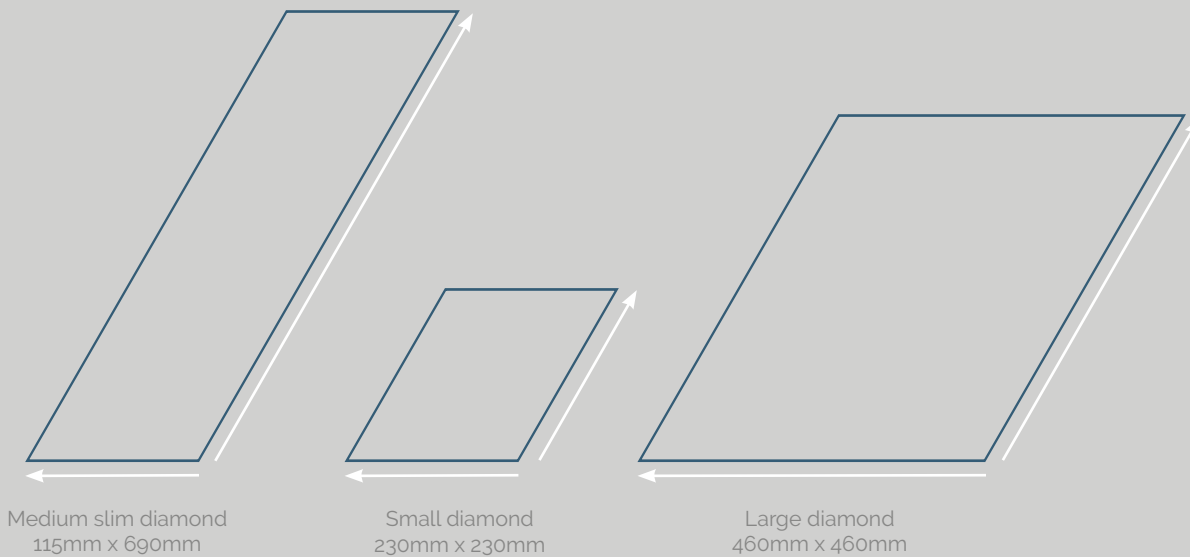

Further design options see pages 38-42

# INTRAshape - Diamond

A shape popular across cultures throughout the ages, the quiet elegance of the diamond can be harnessed to create a variety of interesting layouts; From a classic 3d cube composition to the illusion of depth, direction and movement.

Product Reference	INTRAshape Entrance Matting
Shape	Small Diamond – 230mm x 230mm Medium Slim Diamond – 115mm x 690mm (45°Angle) Large Diamond – 460mm – 460mm (60°Angle)

## Cube layout, small

Further design options see pages 38-42

Medium slim diamond layout, chevron

Further design options see pages 38-42

Diamond layout, large

Further design options see pages 38-42

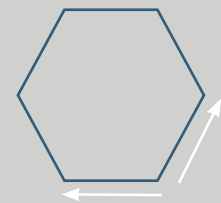

# INTRAshape - Hexagon

Inspired by nature, the hexagon brings a level of sophistication to any interior. Used on its own or with other shapes in the range, the hexagon provides some truly stunning possibilities.

Product Reference INTRAshape Entrance Matting

Shape Small Hexagon - 230mm

Small hexagon - 230mm

## Hexagon layout

Further design options see pages 38-42

Mixed hexagon layout, random

Further design options see pages 38-42

Mixed hexagon layout, regular

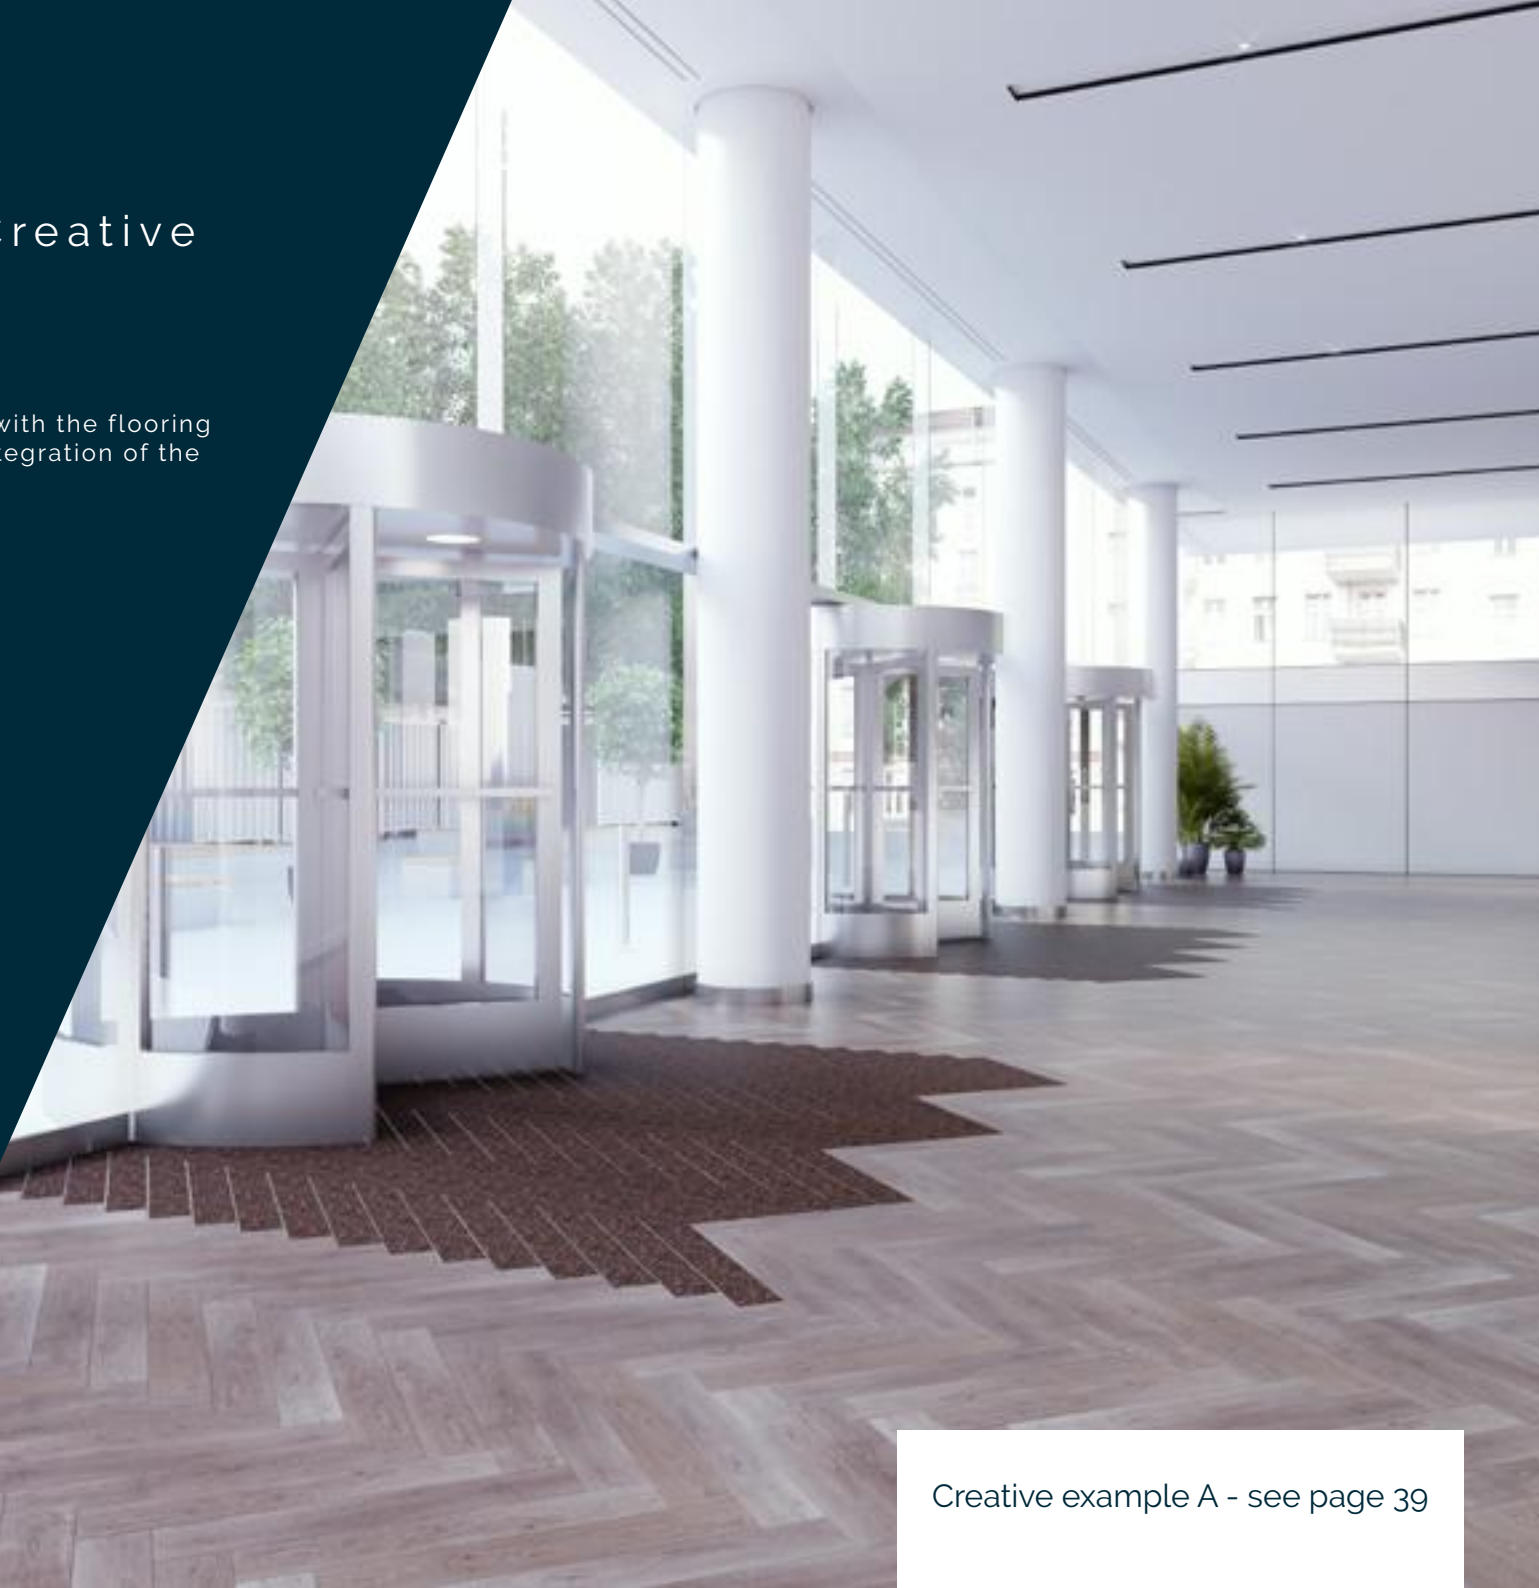

Further design options see pages 38-42

## INTRAshape - Creative Examples

Blending the Entrance Matting with the flooring beyond to create a seamless integration of the two.
